Let's Put Wheels on the Ground in Oradea in 2026!

Hello friends and family!

Before anything else, I want to start by saying thank you. Your prayers, generosity, and encouragement this past year have carried me through some remarkable moments of ministry here in Romania. Because of you, students are encountering Jesus, teams are being trained, and doors continue to open in ways I never imagined. I'm incredibly grateful to be doing kingdom work together! Thank you for all you've done this year, and what a joy it is to look ahead together with excitement for what God has in store for 2026!

Looking ahead, the Lord has placed on my heart an ambitious goal for this year: purchasing a personal vehicle. For the last two years, I've relied on trams, trains, and rides from generous friends to get everywhere—from local youth outreaches to projects and ministry partnerships in Sebiș, Timișoara, the mountains of Arieșeni, and even into Ukraine. Romania's public transportation has served me well, but it can't keep up with what the ministry has now grown into, and the rhythm of day-to-day life requires greater flexibility. More and more, we find ourselves taking students to camps and evangelistic events, transporting supplies, and partnering with churches and missionaries in surrounding regions. Without a vehicle, these opportunities and daily tasks are limited or delayed. With one, life and ministry can move forward at the pace in which God is opening doors.

As we turn the corner to a new year, I ask for your help in partnering with me in this undertaking. **Starting in the month of December, I am looking to raise \$12,000.** Factoring in the difference in currency conversion, this amount will allow me to purchase a reliable used vehicle and cover the necessary costs of registration and documentation that are required in Romania. **Would you pray and consider making a one-time year-end gift to help meet this need?** The Lord has wonderful things in store for this coming year, and I believe He is providing the resources to carry out these plans more effectively than ever before!

You can give through Mannahouse's giving page [by clicking here \(Mannahouse Giving Page\)](#). All contributions go directly to my missions fund, and all one-time gifts given this month will be directed specifically to this project.

Thank you for your faith, generosity, and support of all that God is doing in Romania! I am excited for all that He has planned for this next year, and I am so grateful that we get to join in His kingdom work together!

With gratitude and a full heart,
Nathan Lorenc

PS: A gift of any amount really helps, from \$50 to \$5,000. And, if given in December, it is tax-deductible for 2025. That being said, you are not only exercising wise stewardship, you are also (quite literally) putting wheels under a ministry that is making a difference in Romania!
